Morgan County Man Killed.

We clip from a Richmond paper this item concerning the death of Charles Lykins, of Morgan county, who was killed at a L. & A. trestle on Saturday night, Aug. 25. He arrived from Morgan on Friday, to work on L. & A. road, was stopping with his cousin, Wilkes Lykins; after his arrival he had been drinking heavily; on Saturday night he and Preston Lacey, also of Morgan, and another man were taking in the town; Lacey was quite limber from effects of booze; Lykins comparatively sober started to take Lacey to Wilkes Lykins' hotel; Lacey reported that Lykins was thrown off the trestle by some negroes; earlier in evening there had been trouble in a saloon with one or two negroes; Coroner Biggstaff found dead body under trestle, 30 feet high; the back of the head was crushed, left arm broken and shoulder crushed from the evidence it is certain that he was thrown from trestle and his death seems shrouded in mystery. Lykins was of fine physique and only about twenty-four years of age. He leaves a wife and two small children. His remains were shipped to Cannel City, Morgan county, Monday where they will be interred.

A Large Contract.

When W. S. Lloyd the enterprising druggist, first offered a 50 cent package of Dr. Howard's specific for the cure of constipation and dyspepsia at half price, and guaranteed to return the money if it did not cure, he thought it probable from his experience with other medicines for these diseases, that he would have a good many packages returned. But although he has sold hundreds of bottles, not one has been brought back.

This is so surprising that he has taken the contract to introduce Dr. Howard's specific in at least half the homes in Mt. Sterling and to do that he will continue his special half price introductory offer.

W. S. Lloyd wants every person in Mt. Sterling who has constipation, dyspepsia, headaches or liver trouble to come to his store or send W. S. Lloyd 25 cents by mail and get 60 doses of the best medicine ever made at half the regular price, with his personal guarantee to refund the money if it does not cure. 7-6-10.

HEALTH IN MT. STERLING

W. S. Lloyd Says Care of Digestion Solves Problem of Long Life.

W. S. Lloyd believes that the problem of long life is solved by proper care of the digestive organs. Let the stomach get out of condition and soon there will be nervousness, irritation, furred tongue, specks before the eyes, weakness, debility, indigestion, and other physical and mental troubles that directly result from a weakened stomach.

Of all the vital organs, the stomach is the most frequently abused, and hence, the one which most frequently fails, and so with the discovery of a remedy like Mi-o-na stomach tablets, which is sold on an absolute guarantee to strengthen the digestive system, aid in assimilation of food, and cure all troubles caused by indigestion, an important step has been taken towards solving the question of good health and long life.

W. S. Lloyd sells Mi-o-na on an absolute guarantee to refund the money if it does not cure. A large box of the tablets costs but 50 cents, if it helps you; nothing if it fails. 8-10.

Throng of Buyers Continue.

The people of Mt. Sterling and vicinity appreciate the great advantage W. S. Lloyd obtained for them, in getting the Dr. Howard Co. to allow the regular 50 cent size of Dr. Howard's specific, for the cure of constipation and dyspepsia, to be sold at half price, 25 cents, and have bought hundreds of bottles.

Many orders have come by mail at this popular price, for it is very unusual to be able to buy sixty doses of a standard medicine for half price.

Every bottle of the specific sold by W. S. Lloyd has had his personal guarantee to refund the money if it was not satisfactory, but none has come back, showing the wonderful curative power of this remedy.

Unlike ordinary medicines for constipation and dyspepsia, the dose of Dr. Howard's specific is reduced after a few days use, and the cure is soon complete and lasting. 8-11.

Williamsburg Institute, Baptist, has recured \$40,000 as a gift from Ezra Stephens, a New York millionaire to be used in the building of a fine recitation hall.

L. G. Botkins, Paris, Ky.:--I had no hopes of saving my hogs, as some of them could not eat. I drenched them with Bourbon Hog Cholera Remedy and did not lose a hog. It is the best hog medicine I ever used. Sold and guaranteed by W. S. Lloyd, Mt. Sterling, Ky. 7-5t.

Echoes of The Georgetown Local Option Election.

WORDS OF PRAISE FOR THE COLORED VOTERS.

The County Board of Election Commissioners canvassed the returns of the Local Option election held Saturday, August 18. They made the majority for license 19 instead of 21, and was certified by the election officers. The Commissioners met on the time appointed by law to canvass the returns, but could not do so because the election officers of the Court House and City School precincts had not left the rejected and spoiled ballots with the stub books.

The trial of Otis Ashurst, charged with bribery, growing out of the recent Local Option election, was called before Judge Yates. J. T. Marshall signed the affidavit charging Ashurst with the offense of bribing Abe Crittenden, colored. The Court held that the affidavit was insufficient; that it simply stated that Ashurst bribed Abe Crittenden and it ought to be amended to state that he bribed Abe Crittenden to vote some one way, that is, for or against whisky. County Attorney Jas. R. Fennell, Jr., declined to amend the warrant further and the case was dismissed. The same order was made in regard to Crittenden.

I wish to call attention to the part the colored people played in last Saturday's election. A large majority of them vote at the City School precinct. There is where the liquor element expected to have a large majority for the open saloon. And they only received a majority of 24. In the election last year the Democratic was 88, the Republican vote was 207 at that precinct. Last Saturday the vote stood 150 for the saloon and 126 against the saloon. This shows beyond all doubt that a goodly number of the colored people must have lined up with the Temperance forces. This in the face of the announcement in the Temperance Column from the beginning, not one cent for buying votes and that was insisted upon to the end. We cannot afford to have anything but a clean election.

One of the friends of the saloon interests, who is claimed to be a local politician, said to me, after the contest began they discovered that the colored vote could not be controlled as it had been before. Why was this? Because the colored man has been appealed to to vote his principles and not permit himself to be bought or sold like sheep or cattle on the streets. He was advised to vote for the saloon if he wanted it to continue. If he wanted it suppressed then vote to suppress it. A goodly number of them stood the test and voted as we think on the right side. We can no longer lay the continuation of the saloon at the door of the black man, for we have proved beyond all doubt that there are pale faces that want the saloon to continue in Georgetown with all its accompanying evils. In the future the existence of the saloon in our town will not be a question between the white man and the black man, but a question between good citizenship and bad citizenship, without regard to color.

SALOON KEEPERS AGREE TO OBSERVE THE LAW.

The saloon keepers of Georgetown have agreed among themselves to observe the Sunday law, and have signed an agreement to that effect. Should any one of them violate the law he will be reported to the City Council by the others and his license be revoked

by the Council. Now let the saloon keepers go a step further in a determination to respect the law in the conduct of their business. Let them refuse to sell to minors and to men already under the influence of liquor.

The Times has often wondered why the City Council did not revoke a saloon license when the fact was established that a holder of the same had violated the law. Georgetown Times, Aug. 29.

[Would it not be regarded as a strange declaration if the clothiers or dry goods merchants should announce that they would "be good" and obey the laws? If the saloon keepers of Mt. Sterling would report on each other, and if the CITY COUNCIL WOULD DO ITS DUTY there would, no doubt be fewer saloons in Mt. Sterling.

[The Times wonders why the City Council did not revoke a license. The trouble in Mt. Sterling has been that, so far as the public knows, our City Council has made no effort to even investigate the cases reported, to say nothing about revoking a license.---Ed.]

Serious Accident At Carlisle.

Noel, the eldest son of Mrs. Mayme Cain, attempted to swing on behind a passing surrey, and in attempting to pull himself up his right leg caught in the hind wheel, and before the vehicle could be stopped the leg was broken in two places--above and below the knee, and his body bruised considerably.

Cured.

Swartz Bros., Austerlitz, Ky: "Bourbon Hog Cholera Remedy not only cured our Hogs of cholera, but it is in every way the very best hog remedy we have ever used." Sold and guaranteed by W. S. Lloyd, Mt. Sterling, Ky. 7-5t.

WHAT THE KIDNEYS DO,

Their Unceasing Work Keeps Us Strong And Healthy.

All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily, when unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms--pain in the back, headache, nervousness, hot, dry skin, rheumatism, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filters right you will have no trouble with your kidneys.

Nelson Davis, who lives on Letcher Avenue, Richmond, Ky., and is a plasterer by occupation, says: "Doan's Kidney Pills brought relief to me when all else had failed, and I had begun to fear that there was no cure for me. I was in a state of almost hopelessness when I got my first box. The workings of Doan's Kidney Pills are marvelous. They worked a quick and lasting benefit in my case."
